This appraisal is intended solely for insurance or customs purposes.
Not intended for buying, selling or trading purposes.

The values set forth herein are estimates of the average current market price at which the appraised jewellery may be purchased in the average fine jewellery store. Because the jewellery appraisal and evaluation is subjective, estimates of replacement value may vary from one appraiser to another and such a variance does not necessarily constitute error on the part of the appraiser. These estimated replacement costs are based only on estimates of the quality of the stone (unless specifically stated that the stones were removed and graded). We assume no liability with respect to any action that may be taken on the basis of this appraisal.
