GST# 847692738 RT0001

Work Order Date		Technician / Driver	Payment Terms	Due Date
June to September 2021		Tom/Nery/Stacey	Net 30	04-Nov-21
Hours		Unit #	Serial #	
		Vibromax Packer		
HOURS	SERVICE	DESCRIPTION	RATE PER HOUR	LINE TOTAL
1.0	Mechanic	Check engine for miss on site at New Lands project. Engine has severe miss, won't shut off, won't start, needs work.	\$ 125.00	\$125.00
1.5	Mechanic	Truck unit to Conquip shop, had to boost machine to get off truck, tie up governor to keep engine running, assist to off load.	\$ 125.00	\$187.50
52.50	Mechanic	Replace starter and battery in order to get unit started to determine cause of knock, eliminate fuel knock, found # 6 cylinder spun bearing, not filters in air cleaner. Try to source good used but were all \$6,000-\$7,000 with no guarantee on condition, decide to rebuild as cost effective as possible. Remove engine fr unit, strip down engine in shop, clean and ship engine components out for machining. All cylinders were dusted out and needed to be oversized, # 6 had to be replaced. Grind crank. Wait for engine to be re-returned. Replace pistons, rings, bearings, complete reassemble and install into packer, test run and reset valves. Coolant over flow container leaks, repair and install. Battery need hold down, manufacture and install.	\$ 125.00	\$6,562.50

SUBTOTAL for PG 1: \$ **6,875.00**

Make all cheques payable to Conquip Inc.
